Rheumatic pains are the cries of protest and distress from tortured muscles, aching joints and excited nerves. The blood has been poisoned by the accumulation of waste matter in the system, and can no longer supply the pure and health sustain-ing food they require. The whole system feels the effect of this acid poison; and not until the blood has been purified and brought back to a healthy condition will

not until the blood has been purified and brought back to a healthy condition will the aches and pains cease.

Mrs. James Kell, of 707 Ninth street, N. R., Washington, D. C., writes as follows: "A few months ago I had an attack of Sciatic Rheuma tissu in its worst form. The pain was so intense that I became completely, prostrated. The attack was an unusually severe one, and my condition was regarded as being very dangerous. I was attended by one of the most able doctors in Washington, who is also a member of the faculty of a lending medical college here. He told me to continue his prescriptions and I would get well. After having I filled twelve times without receiving the singhtest beneft, I declined to continue his treatment any langer. Having heard of 8. B. 5. (Swiff's Specific recommended for Rheumatism, I declared, almost in deripair however, to give the medicine a trial and a first I had taken a few bottles I was able to hobble ground on crutches, and very soon there after had no use for them at all, 8. S. having cared me sound and welf. All the distressing pains have left me, my appetite has returned, and I am happy to be again restored to perfect health.
